EXTERNAL WALL INSULATION INSTALLERS:

How We Help You

We concentrate on the external wall insulation market and helping organisations within this industry – especially contractors.

BENEFITS OF JOINING US:

Assisting with Contractors' Issues

- Active Contractors' Committee concentrates on contractors' issues and concerns, meeting bi-monthly in central location: topical speakers
- Membership of NSCC with specialist free helplines on legal, contractual and training issues. NB: INCA represented on NSCC Council
- Access to training for CSCS Card in external wall insulation

Directing the Industry via INCA

- Input to INCA overall Strategy Board re contractor, technical and marketing issues via two representatives
- Link to INCA Systems' Committee, to raise design issues. NB: INCA represents virtually all systems active in the UK

INCA Guarantee

- Access to INCA insurance-backed guarantee, only available to INCA installers using INCA systems with BBA/BRE Certification

Specifications

- Access to local authority and other specifications increasingly stating INCA systems, members and guarantee

INCA Register of Installers

- Inclusion on INCA Register of Installers, featured on INCA website, giving background and experience

INCA Enquiry Service

- Receipt of all enquiries into INCA – from major contracts to one-off houses

INCA Marketing

- Participation in INCA marketing:
 - Opportunity to enter annual Awards
 - All commended projects promoted on website, in prestigious annual Year Book, in Press releases and articles with photographs
 - Annual Seminar: opportunity to meet architects, builders and RSLs, network with industry, and visit exhibition showing latest systems and finishes
 - INCA general promotion of external wall insulation for new build and refurbishment via website, attractive technical and case study literature (available to members), and Press relations
 - Use of INCA logo

Government Support & Lobbying

- Government promotion of external wall insulation and INCA members
- Keeping up-to-date and influencing government moves that affect installers
- Monthly information bulletins on matters such as tax relief on external wall insulation for private landlords (achieved by INCA lobbying)
- Opportunity to discuss and influence lobbying plans. NB: INCA representatives sit on government-initiated committees

INCA Technical Guidance

- Technical guidance documents
 - Opportunity to influence Code of Practice for Applicators
 - Benefit from INCA guidance on external wall insulation with steel-framed constructions (produced with Steel Construction Institute) and other publications: Technical Standard in production

INCA Code of Practice

- Professional standards upheld for industry via Code of Practice
