#### 1. Welcome

The Chairman welcomed members to the INCA Members Meeting and AGM.

#### 2. Apologies

It was noted that the apologies that had been received would be recorded in the minutes.

#### 3. How INCA will look in the future

The Chairman gave a presentation on the history of INCA, and outlined the future options for operating INCA beyond Build UK's secretariat management. Members were informed that negotiations with the National Insulation Association (NIA) were ongoing, but if terms were unacceptable to the board then other secretariat options would be investigated. The Board would meet again in the near future to vote and decide on a course for INCA.

Members discussed the options, raising points that they were open to merging with the NIA, but that INCA's brand and identity must be protected.

**4. Celebrating EWI Innovation & Excellence: INCA Awards 2019**

Jake Springford (Secretariat) gave a presentation highlighting all the shortlisted entries for the INCA Awards. He congratulated all those who made the shortlist and thanked all who entered. The new sponsorship package was also presented, and INCA Members were encouraged to support their association and the INCA Awards by investigating possible sponsorship. Members were reminded that the awards were on the 28 November 2019 and were encouraged to book.

**5. Jon Warren – Energiesprong**

The Chairman invited Jon Warren of Energiesprong to deliver a presentation on his company. Jon gave a presentation on new approaches to wholesale retrofit that had seen success in the Netherlands. He outlined the plan to branch into the UK and how Energiesprong retrofit can help the UK reach its net-zero emission goal.

**7. Minutes of the AGM held on 05 July 2018 and Matters Arising**

Following a proposal from the Chairman, which was seconded by Sean Stevenson (Westville), the minutes of the AGM held on 05 July 2018 were unanimously approved by INCA members and signed by the Chairman.

There were no matters arising.

**8. Financial Statements for the year ended 31 March 2018**

INCA members were directed to the financial statements, including the income and expenditure account and balance sheet, for the year ended 31 March 2019.

The accounts showed a surplus of £9,816 against a budgeted surplus of £17,302. INCA reserves now stand at £114,129

The Chairman proposed that the financial statements for the year ended 31 March 2018 be received. This was seconded by Sean Stevenson (Westville) and unanimously supported by INCA members.

---

**9. Election of Chairman**

The Chairman reminded members that he has been in his position for three years, which would ordinarily mean that he would stand down. However given INCA's current situation and in the absence of other volunteers, it was proposed by Bob Deane (Wetherby) that the Chairman should continue in his role. This was seconded by Taryn Davies (Dryvit) and unanimously supported by INCA members.
