

FREE Industry Partner Membership

Architects

Specifiers

Main contractors

Consultants

Construction &
Retrofit Professionals

The Recognised Trade Association For
The External Wall Insulation Industry

INCA, the recognised trade association for the External Wall Insulation (EWI) industry now offer FREE Industry Partner membership for architects, specifiers, main contractors, consultants and other construction and retrofit professionals.

Gain direct access to INCA's technical guidance, CPD programme and industry expertise - and connect with the leading EWI system designers, specialist contractors and suppliers across the UK.

Industry Partner Membership is completely FREE for all architects, specifiers, main contractors and construction / retrofit professionals and by joining INCA as an Industry Partner you will...

- Gain access INCA EWI best practice guidance & technical documentation
- Get automatic notification of new or updated technical guidance documentation
- Access technical support when you need it
- Priority access to industry intelligence and government policy updates
- Quarterly industry update detailing new product / service development and training initiatives
- CPD seminars
- Invites to educational forums and certain industry events

You will also be able to connect directly with INCA System Designer, Contractor and Associate members and benefit from their expert support in relation to any aspect of any project you may be working on.
